## "THE LION AND THE MOUSE"

From CHARLES KLEIN'S  
Famous Dramatic Success

WITH no other weapon than a woman's wit, she entered the arena against the lion of big business who was ruining her father for his own selfish interests. There must—there had to be—some way out. Yet how? How could she, alone, unaided, break the strength of this man of power? The very heights of drama are reached in this compelling play of life and love.

### BRONCS HERE FOR TWO GAMES SUNDAY AND MONDAY, JUNE 8 AND 9.

Dallas, fans will be given their first glimpse on many moons at the once famous Broncho outfit. Many seasons have passed since the bucking ponies grazed upon local pastures and their coming remind us if

there is a spark of the old time pep that once characterized this old machine that Gardner's Park should be on tomorrow afternoon the scene of a real ball game.

San Antonio may be a dark horse in the loop this season as games previously played with the delegation warrants flattering advance notices and if Manager Davis comes up to the prediction, his club is in the running.

### EQUAL RIGHTS ASSOCIATION OF TEXAS ORGANIZES.

Equal Rights Association of Texas was permanently organized in this city at its annual session held here Wednesday morning in Pythian Temple and elected the following officers: M. M. Rodgers and W. E. King, Dallas, president and first vice, Dr. M. W. Dogan, Marshall secretary and Dr. M. C. Cooper of Dallas, Treasurer.

An Elective Committee, one from each county was appointed. Question of better accommodation on railroads and in waiting rooms was the

paramount issue discussed. A report from the committee previously appointed to confer with the Director General of Rail Roads at Washington was made and reported that they, upon their visit to Washington, were cordially received by the Assistant of Railroads and were given the assurance that the request in petition was reasonable and fair and would be given due consideration. The committee in question was Dr. M. W. Dogan and Dr. Shepherd, Marshall, Dr. A. N. Prince of Sherman.

Other measures were presented for discussion but were referred to the Elective Committee, delegating its power to act.

The meeting was well attended; forty counties being represented. Adjournment was next in order. The session adjourned to meet next year in Dallas.

### ST. PAUL M. E. CHURCH.

Corner Burford and Juliette Sts. Rev. J. W. Weakley, pastor. The second quarterly conference opened Saturday night on time. District Superintendent, Rev. D. L.

Lacy in the chair.

Reports from the different organizations of the church showed a decided increase over the former. Out of 25 classes, all made excellent reports with the exception of one or two. The District Supt. gave us some helpful information respecting the Centenary Drive. Sunday morning at 9:30 Sunday school opened on time. Superintendent, teachers and students are striving to make St. Paul a number one school. Our school was also graced with the presence of Messrs. Hiram Hawthorne, Sherman, and Dr. Smith, prominent church men of Waco, who made excellent remarks. At eleven o'clock the District Superintendent preached a burning message and administered sacrament to all present. Epworth League every Sunday evening at 7:00 o'clock. A cordial welcome is expected to all. The night services were good, thus closing one of the most successful quarterly conferences in the history of the church. Collection during the quarter \$75.00. ALLEN M. HARRIS, Reporter.
